

Beale Elementary

Snow & Go Packet # 1

Grade Level Teacher Names & Email Addresses:

Mark Bell mcbell@k12.wv.us

Due Date: Individually completed student packets are due for grading on the first day students return from the inclement weather day. Packets submitted late for grading will be subject to regular classroom policies.

School Phone: 304-675-1260 * **School Website:** <http://beale.maso.k12.wv.us>

Snow and Go Day

Assignments Mr. Bell's Classroom

The following are assignments that students are to complete in the event of a "Snow and Go Day." If parents have any questions for me, they may reach me by email at mcbell@k12.wv.us. Also, if it is a day that staff report to the school, I may be reached by phone, between the hours of 10:00 am to 2:00 pm, at the school's phone number, which is (304) 675-1260.

Note to parents: On the parts of the assignments that require writing, your child may tell you what to write, and you can write it for them.

Day 1 assignment:

Draw a map of your living room:

1. Label each part of the map. Example: TV, couch, chairs, lamps (or whatever you have in your living room).
2. Color your map.

Assignment due date: This assignment will be due on the first day that school resumes normally.

Day 2 assignment:

Make a sandwich, and write down the steps for making your sandwich.

For example:

1. Open loaf of bread
2. Put two pieces of bread on plate

(Write down however many steps it takes, until you take your first yummy bite of the sandwich.)

Assignment due date: This assignment will be due on the first day that school resumes normally.

Day 3 assignment:

Walk with an adult from the door of your house to your mailbox. Count how many steps you took to get to the mailbox. Write down the number of steps. Then, walk back from the mailbox to the door of your house. Write that number down. If the number of steps

are different, write why you think they are different. If the numbers are the same, write that too.

Assignment due date: This assignment will be due on the first day that school resumes normally.

Day 4 assignment:

1. Draw a map of your house and yard.
2. Draw anything that is in your yard.
For example, if you have a swing set, trampoline, dog house, storage shed, or anything else that is in your yard. Have your parents help you label everything.
3. Color your map. (I don't want a boring black and white map.)

Assignment due date: This assignment will be due on the first day that school resumes normally.

Day 5 assignment:

1. Count how many of each is in your kitchen: spoons, table knives, forks. Write it down.
2. Count how many coffee cups are in your kitchen. Write it down.
3. Count how many drinking glasses are in your kitchen. Write it down.

Assignment due date: This assignment will be due on the first day that school resumes normally.
